Our regency lever collection is a popular choice for many properties and features a simple round backplate, which complements the smooth rounded lever.

Designed to match the regency window furniture in the range.

This concealed lever handle features a simple plain rose which adds a contemporary edge to a traditional looking product. The handle has a strong spring incorporated into the concealed boss.

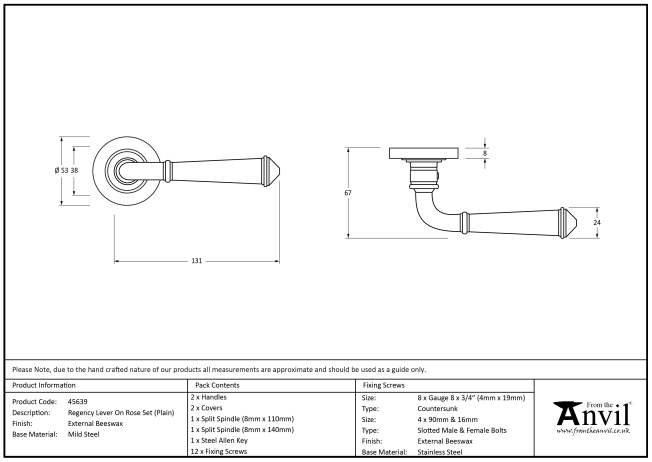

- Lever handle for internal and external doors where locking is either required or not required.
- Set includes 2 concealed lever on rose handles.
- Can be used with a multitude of standard locks, euro locks, latches, escutcheons & thumbturns for various uses within the home.

Our external beeswax is unique to From the Anvil and is manufactured from an anti-corrosive beeswax.
