External Regency Lever on Rose Set - Unsprung - Beeswax

Variant code: 50096

Our regency lever collection is a popular choice for many properties and features a simple round backplate, which complements the smooth rounded lever.

Designed to match the regency window furniture in the range.

This handle is unsprung (available on a 2 week lead time) but has a stylish boss design to give both functionality & elegance.

- Lever handle for internal and external doors where locking is either required or not required.
- Set includes 2 lever on rose handles.
- Can be used with a multitude of standard locks, euro locks, multipoint locks, latches, escutcheons & thumbturns for various uses within the home.
- Supplied with matching SS wood screws.

Our external beeswax is unique to From the Anvil and is manufactured from an anti-corrosive beeswax. It has a matt richness and like our standard beeswax, the depth of colour ranges from blue to deep red ochre. An extremely natural finish and a far softer alternative to a black powder coated finish.

Property	Value
Finish	External Beeswax
Width (mm)	60
Range	Regency
Handle Length (mm)	120
