

External Round Plain Thumbturn Set – Beeswax

Variant code: 45747

Our thumbturns offer an added feature to any door where privacy is required, a perfect solution for bathroom doors.

This concealed thumbturn features a simple plain cover which matches a number of other products and adds a contemporary edge to a traditional looking product.

- Each of our thumbturns have been designed to complement our range of mortice knob sets and lever on rose handles.
- Maximum door thickness: 67mm, Works with bathroom mortice lock or stand-alone with a tubular deadbolt.
- Supplied with matching SS bolt through fixings & SS wood screws.

Our external beeswax is unique to From the Anvil and is manufactured from an anti-corrosive beeswax. It has a matt richness and like our standard beeswax, the depth of colour ranges from blue to deep red ochre. An extremely natural finish and a far softer alternative to a black powder coated finish.
