

## Falling Hinges 1841 Unlacquered inc Screws – Left Hand 100x67mm – Polished Brass

Variant code: 1841.PBUL

A pair of British made unwashered falling hinges with a brass pin. Rise or fall of 13mm at 180ø.

Comes with a 10 year performance guarantee. Load capacity is based on 2 hinges fitted.

This is the polished brass finish which is unlacquered. To care for this finish regularly clean with a damp cloth, for extra cleaning we recommend a good quality wax polish is applied. Do NOT use solvents, cleaning chemicals or abrasive products.
