Fastmount Install Tool for Metal Clips MC-F5 & MC-M5

Variant code: MC-IT5

Fastmount Installation Tool (MC-IT5) is a professional installation accessory designed for the **Fastmount® Metal Clip range**. Engineered for use with a battery drill set to the correct torque, it enables fast, accurate and consistent installation of **MC-M5 self-tapping male clips** as well as **MC-F5 and MC-F10 female clips** into plywood and similar substrates.

Manufactured for professional workshop and on-site use, the MC-IT5 provides secure engagement with compatible clips, helping to improve installation accuracy while reducing fitting time. Its precision design ensures reliable positioning of clips, making it ideal for high-volume panel installations where consistency and efficiency are essential.

The **Fastmount® multi-award-winning concealed panel mounting system** allows panels to be removed and refitted repeatedly in any sequence without damaging the fixing system, making it the preferred solution for architectural joinery, marine interiors, furniture manufacturing and commercial fit-out projects.

Product Features

- Installation tool for **Fastmount® Metal Clip range**
- Compatible with:
  - MC-M5 self-tapping male clip
  - MC-F5 female clip
  - MC-F10 female clip
- Designed for installation into plywood and similar materials
- Suitable for use with a battery drill
- Use with the correct drill torque setting
- Precision-engineered for accurate clip installation
- Genuine Fastmount® installation tool
- Refer to Fastmount installation guides for correct use

Product Benefits

- Speeds up clip installation
- Ensures accurate and consistent fitting
- Reduces installation time and labour

- Minimises the risk of clip damage during installation
- Suitable for repeated professional workshop and site use
- Improves the quality of concealed panel installations

Technical Characteristics

- **Product Type:** Clip Installation Tool
- **Brand:** Fastmount
- **Model:** MC-IT5
- **System Compatibility:** Fastmount® Metal Clip Range
- **Compatible Clips:** MC-M5, MC-F5 and MC-F10
- **Compatible Materials:** Plywood and Similar Substrates
- **Tool Compatibility:** Battery Drill (Correct Torque Setting Required)
- **Application:** Installation of Metal Concealed Mounting Clips

Applications

The **Fastmount MC-IT5 Installation Tool** is ideal for **cabinet makers, furniture manufacturers, shopfitters, marine installers, exhibition contractors, architectural joiners and industrial fabricators** installing **Fastmount® Metal Clip concealed panel systems**. Designed for efficient installation of **MC-M5, MC-F5 and MC-F10 clips**, it helps achieve fast, precise and repeatable concealed panel fixing across residential, commercial, marine and industrial applications.
