Fastmount Low Profile Auto Fit Clip - Female

Variant code: LP-AF8A

Fastmount Low Profile Auto-Fit Female Clip is a high-performance concealed panel mounting clip designed for fast, accurate and secure panel installation. Featuring an innovative **auto-fit design**, the clip automatically accommodates variations in panel thickness, ensuring a consistent and reliable connection while maintaining the clean, low-profile appearance that Fastmount® systems are renowned for.

Manufactured from durable engineering-grade materials, the LP-AF8 provides excellent resistance to vibration, wear and demanding operating environments. Its low-profile design minimises protrusion behind the panel, making it ideal where installation space is limited or a flush finish is required. The clip is engineered for quick installation, helping to reduce labour time while delivering professional, repeatable results.

As part of the **Fastmount® Low Profile concealed mounting system**, the LP-AF8 enables panels to be removed and refitted repeatedly without damaging the mounting system, making it an ideal solution for applications requiring regular maintenance or access.

Product Features

- Low Profile **Auto-Fit Female Clip**
- Auto-fit design compensates for panel thickness variations
- Concealed fixing for a clean, flush appearance
- Durable engineering-grade construction
- Secure, vibration-resistant connection
- Fast and easy installation
- Suitable for repeated panel removal and refitting
- Genuine Fastmount® Low Profile clip

Product Benefits

- Speeds up installation while reducing fitting errors
- Maintains a neat, concealed panel finish
- Provides a strong and reliable panel connection
- Accommodates varying panel

thicknesses automatically
- Durable construction ensures long service life
- Ideal for applications requiring frequent panel access

Technical Characteristics

- **Product Type:** Female Concealed Mounting Clip
- **Brand:** Fastmount
- **Model:** LP-AF8
- **System Compatibility:** Fastmount® Low Profile Range
- **Clip Type:** Auto-Fit Female
- **Construction:** Engineering-Grade Polymer
- **Installation:** Concealed Panel Mounting
- **Application:** Removable Panel Fixing

Applications

The **Fastmount Low Profile Auto-Fit Female Clip** is ideal for **marine interiors, vehicle conversions, automotive trim, furniture manufacturing, shopfitting, exhibition displays, architectural joinery, industrial enclosures and commercial fit-out projects**. Designed for concealed removable panel systems, it provides a secure, vibration-resistant fixing while allowing panels to be removed and reinstalled quickly for maintenance or servicing.

Property	Value
Finish	White
Width (mm)	40
Length (mm)	12.5
Height (mm)	43
Material	Plastic
Min. Panel Thickness (mm)	10
Weight (g)	11.5
Fasteners Type	3mm / #6 self tapping screw
Installation Type	Screw on into bored hole
