# Fastmount Very Low Profile Clip - Female

**Variant code: VL-F3**

**Fastmount Very Low Profile Female Clip (VL-F3)** is a precision-engineered concealed mounting clip designed for applications where minimal panel clearance and discreet fixing are essential. As part of the **Fastmount® Very Low Profile Range**, it provides a secure, removable fixing solution while maintaining an exceptionally low installation height, making it ideal for premium architectural, furniture and transport applications.

Manufactured from high-performance engineering-grade polymer, the VL-F3 offers excellent strength, vibration resistance and long-term durability. Designed for use with compatible **Fastmount® Very Low Profile male clips**, it provides reliable clip engagement while allowing panels to be repeatedly removed and refitted without damaging the concealed mounting system. Its ultra-low profile design helps achieve flush panel installations where space is limited and aesthetics are paramount.

As part of the **Fastmount® multi-award-winning concealed panel mounting system**, the VL-F3 combines fast installation, secure retention and convenient panel removability, delivering a professional concealed fixing solution across a wide range of industries.

## Product Features

- Very Low Profile female clip
- Ultra-low profile concealed fixing
- Compatible with Fastmount® Very Low Profile male clips
- Durable engineering-grade polymer construction
- Strong, vibration-resistant connection
- Compact design for limited installation space
- Allows repeated panel removal and reinstallation
- Quick and straightforward installation
- Genuine Fastmount® Very Low Profile clip

## Product Benefits

- Creates an exceptionally discreet concealed fixing

Email: info@swshardware.com

- Ideal for installations where panel depth is limited
- Provides secure and reliable panel retention
- Allows fast panel removal for maintenance and servicing
- Reduces installation time while maintaining accurate alignment
- Delivers long-lasting performance in demanding environments

## Technical Characteristics

- **Product Type:** Female Concealed Mounting Clip
- **Brand:** Fastmount
- **Model:** VL-F3
- **Range:** Fastmount® Very Low Profile
- **Clip Type:** Female
- **Material:** Engineering-Grade Polymer
- **Installation:** Concealed Panel Mounting
- **Application:** Removable Panel Fixing

## Applications

The **Fastmount VL-F3 Very Low Profile Female Clip** is ideal for **architectural wall panels, furniture manufacturing, shopfitting, marine interiors, automotive trim, transport interiors, exhibition displays, aerospace applications and bespoke joinery**. Designed for use with compatible **Fastmount® Very Low Profile male clips**, it provides a secure, concealed and removable fixing solution that delivers a clean, flush appearance while allowing panels to be quickly removed and refitted for maintenance, inspection or servicing.
