

Fastmount Low Profile Self Tapping Clip – Coarse Thread – Female

Variant code: LP-DF8

Fastmount Low Profile Self-Tapping Coarse Thread Female Clip (LP-DF8) is a professional concealed mounting clip designed to provide fast, secure and reliable panel attachment across a wide range of applications. Featuring a **coarse self-tapping thread**, the clip installs directly into suitable materials without the need for pre-cut threads, making installation quicker while maintaining the clean, low-profile appearance of the Fastmount® concealed panel mounting system.

Manufactured from durable engineering-grade material, the LP-DF8 delivers excellent holding strength and vibration resistance, ensuring dependable performance in demanding environments. The female clip is designed to engage with compatible Fastmount® male clips, creating a secure concealed fixing while allowing panels to be removed and refitted repeatedly for maintenance or servicing.

As part of the **Fastmount® Low Profile range**, the LP-DF8 provides a discreet mounting solution for applications where space is limited and a flush, professional finish is required.

Product Features

- Low Profile self-tapping female clip
- Coarse thread for secure fixing
- Concealed mounting system
- Compatible with Fastmount® male clips
- Self-tapping design for quick installation
- Durable engineering-grade construction
- Strong, vibration-resistant connection
- Genuine Fastmount® Low Profile clip

Product Benefits

- Reduces installation time with self-tapping installation
- Provides a secure and reliable concealed fixing
- Maintains a clean, low-profile appearance
- Excellent holding strength across a range of materials

- Allows repeated panel removal and reinstallation
- Suitable for demanding commercial and industrial environments

Technical Characteristics

- **Product Type:** Female Concealed Mounting Clip
- **Brand:** Fastmount
- **Model:** LP-DF8
- **System Compatibility:** Fastmount® Low Profile Range
- **Thread Type:** Coarse Self-Tapping
- **Clip Type:** Female
- **Construction:** Engineering-Grade Polymer
- **Application:** Concealed Removable Panel Mounting

Applications

Fastmount Low Profile Self-Tapping Coarse Thread Female Clip is ideal for **automotive interiors, marine fit-outs, furniture manufacturing, shopfitting, exhibition displays, architectural joinery, industrial machinery enclosures and commercial interior fit-out projects**. Designed for concealed removable panel systems, it delivers a strong, vibration-resistant fixing while enabling panels to be quickly removed and refitted for maintenance, inspection or servicing.

Property	Value
Finish	White
Width (mm)	30
Length (mm)	14.8
Height (mm)	30
Material	Plastic
Min. Panel Thickness (mm)	10
Weight (g)	5.5
Installation Type	Self tapping
