

Fastmount Low Profile Self Tapping Clip – Coarse Thread – Female

Variant code: LP-DF8

Fastmount Low Profile Self Tapping Clip – Coarse Thread – Female

Enhance Your Designs with Fastmount Low Profile Self Tapping Clips

This Fastmount Low Profile Self Tapping Clip with Coarse Thread and Female engagement offers a discreet and secure fastening solution for a wide range of applications.

Key Features:

Low Profile Design: Minimises protrusion for a sleek and streamlined aesthetic.

Self Tapping: Easy and quick installation with no need for pre-drilled holes.

Coarse Thread: Provides strong holding power in a variety of materials.

Female Engagement: Accepts compatible male studs for a secure connection.

Applications:

Automotive: Interior panels, trim, dashboards, and more.

Marine: Interior fittings, consoles, and accessories.

Industrial: Machinery panels, enclosures, and other applications.

Furniture: Cabinetry, shelving, and other joinery projects.

Benefits:

Improved Aesthetics: Low profile design enhances the visual appeal of your projects.

Increased Efficiency: Self-tapping installation saves time and labour costs. Enhanced Durability: Coarse thread provides a strong and reliable connection.

Versatility: Suitable for a wide range of materials and applications.
