Fastmount Low Profile Surface Mount Adhesive Fix Clip - Male

Variant code: LP-SM8AS

Fastmount Low Profile Surface Mount Adhesive Fix Male Clip (LP-SM8AS) is a professional concealed mounting clip designed to provide a secure, low-profile fixing for removable panels and components. Featuring a **surface-mount design** with **adhesive fixing capability** and an integrated **countersunk screw hole** for optional mechanical fastening, it offers a flexible installation solution across a wide range of applications.

Manufactured from durable engineering-grade polymer, the LP-SM8AS provides excellent strength, vibration resistance and long-lasting performance in demanding environments. Its low-profile construction minimises protrusion behind the panel, maintaining a clean and professional appearance while allowing quick engagement with compatible **Fastmount® Low Profile female clips**. The combination of adhesive mounting and optional screw fixing provides increased installation flexibility to suit different substrates and project requirements.

As part of the **Fastmount® Low Profile concealed panel mounting system**, the LP-SM8AS allows panels to be removed and refitted repeatedly without damaging the mounting system, making it ideal for installations requiring regular maintenance or access.

Product Features

- Low Profile surface mount male clip
- Suitable for adhesive fixing
- Integrated countersunk hole for optional screw fixing
- Compatible with Fastmount® Low Profile female clips
- Concealed mounting system
- Low-profile design minimises protrusion
- Durable engineering-grade polymer construction
- Strong, vibration-resistant connection
- Genuine Fastmount® Low Profile clip

Product Benefits

Tel: 01626 333900
Email: info@swshardware.com

- Offers flexible adhesive or screw-assisted installation
- Creates a clean, concealed panel finish
- Provides a secure and reliable panel connection
- Reduces installation time and labour
- Allows repeated panel removal and reinstallation
- Suitable for demanding commercial, marine and industrial environments

Technical Characteristics

- **Product Type:** Male Concealed Mounting Clip
- **Brand:** Fastmount
- **Model:** LP-SM8AS
- **System Compatibility:** Fastmount® Low Profile Range
- **Clip Type:** Surface Mount Male
- **Fixing Method:** Adhesive Fix with Countersunk Screw Option
- **Construction:** Engineering-Grade Polymer
- **Application:** Concealed Removable Panel Mounting

Applications

The **Fastmount LP-SM8AS Low Profile Surface Mount Adhesive Fix Male Clip** is ideal for **marine interiors, automotive trim, vehicle conversions, architectural joinery, furniture manufacturing, retail displays, exhibition stands, signage, industrial equipment enclosures and commercial interior fit-out projects**. Designed for use with compatible **Fastmount® Low Profile female clips**, it provides a secure, concealed and removable fixing solution while offering the flexibility of adhesive installation with optional mechanical reinforcement where required.

Property	Value
Finish	White
Width (mm)	30
Length (mm)	30
Height (mm)	12.7
Material	Plastic
Min. Panel Thickness (mm)	3
