

Fastmount Low Profile Surface Mount Adhesive Fix Clip - Male

Variant code: LP-SM8AS

Fastmount Low Profile Surface Mount Adhesive Fix Clip - Male

This low profile surface mount adhesive fix clip (male) from Fastmount offers a secure and discreet solution for mounting signs, panels, and other fixtures.

Key Features:

Low Profile Design: Minimises visual impact and ensures a sleek finish.

Strong Adhesive: Provides a reliable and long-lasting bond to various surfaces.

Easy Installation: Simple and quick to apply, reducing installation time.

Versatile Applications: Suitable for a wide range of interior and exterior applications.

Durable Construction: Made from high-quality materials for maximum strength and longevity.

Ideal for:

Signage: Mounting indoor and outdoor signage, including wayfinding, directional, and informational signs.

Panels: Securely attaching panels and displays in exhibitions, trade shows, and retail environments.

Fixtures: Mounting various fixtures, such as light fittings, hardware, and decorative elements.

Benefits:

Improved Aesthetics: Creates a clean and professional look with its low profile design.

Enhanced Durability: Ensures a secure and long-lasting bond, even in challenging environments.

Cost-Effective: Reduces installation time and labour costs.

Increased Versatility: Suitable for a wide range of applications.
