Fastmount Low Profile Surface Mount Male Clip - Heavy Duty - 15kg

Variant code: LP-SMX

Fastmount Low Profile Surface Mount Heavy Duty Male Clip (LP-SMX) is a high-strength concealed mounting clip designed for demanding applications requiring increased load capacity. With a **15kg holding capacity**, this heavy-duty surface mount clip provides a secure, reliable connection for removable panels and equipment while maintaining the clean, low-profile appearance of the Fastmount® concealed mounting system.

Manufactured from durable engineering-grade materials, the LP-SMX is built to withstand vibration, repeated use and challenging environments. Its surface-mount design simplifies installation by eliminating the need for recessed mounting, while allowing fast engagement with compatible **Fastmount® Low Profile female clips**. The clip is ideal for applications where strength, accessibility and a discreet finish are equally important.

As part of the **Fastmount® Low Profile concealed panel mounting system**, the LP-SMX enables panels to be removed and refitted repeatedly without damaging the mounting hardware, making it ideal for installations requiring regular maintenance or access.

Product Features

- Heavy-duty Low Profile surface mount male clip
- **15kg (33lb) holding capacity**
- Compatible with Fastmount® Low Profile female clips
- Surface-mount installation
- Concealed fixing for a clean appearance
- Durable engineering-grade construction
- Strong, vibration-resistant connection
- Suitable for repeated panel removal and reinstallation
- Genuine Fastmount® Low Profile clip

Product Benefits

- Supports heavier panels and equipment

securely
- Provides fast and straightforward installation
- Maintains a neat, concealed panel finish
- Improves safety by securely retaining mounted components
- Durable construction ensures long service life
- Ideal for applications requiring frequent access

Technical Characteristics

- **Product Type:** Heavy-Duty Male Concealed Mounting Clip
- **Brand:** Fastmount
- **Model:** LP-SMX
- **System Compatibility:** Fastmount® Low Profile Range
- **Clip Type:** Surface Mount Male
- **Holding Capacity:** 15kg (33lb)
- **Construction:** Engineering-Grade Polymer
- **Installation:** Surface Mount
- **Application:** Heavy-Duty Removable Panel Mounting

Applications

The **Fastmount LP-SMX Low Profile Surface Mount Heavy Duty Male Clip** is ideal for **marine interiors, automotive and vehicle conversions, industrial machinery, equipment enclosures, architectural joinery, furniture manufacturing, retail displays, exhibition stands and commercial fit-out projects**. Designed for use with compatible **Fastmount® Low Profile female clips**, it provides a secure, concealed and removable fixing solution for heavier panels and components while ensuring quick access for maintenance and servicing.

Property	Value
Installation Type	Surface Mount
Pull-out Force (kg)	15
