Fastmount Metal Clip - 5kg - Female

Variant code: MC-F5

Fastmount Metal Female Clip (MC-F5) is a precision-engineered concealed mounting clip designed to provide secure, removable panel fixing for a wide range of commercial, architectural and industrial applications. With a **5kg holding capacity**, it delivers a reliable connection while allowing panels to be repeatedly removed and refitted without damaging the mounting system.

Manufactured from high-quality metal, the MC-F5 offers excellent durability, strength and resistance to wear, making it suitable for demanding environments where dependable panel retention is essential. Designed for use with compatible **Fastmount® Metal Range male clips**, it forms part of a concealed fixing system that maintains a clean, professional appearance while providing quick access for maintenance and servicing.

As part of the **Fastmount® Metal Clip system**, the MC-F5 supports efficient installation and long-term performance, making it an ideal solution for removable panels requiring strength, precision and ease of access.

Product Features

- Metal female concealed mounting clip
- **5kg holding capacity**
- Compatible with Fastmount® Metal Range male clips
- Concealed fixing system
- Precision-engineered metal construction
- Strong, vibration-resistant connection
- Suitable for repeated panel removal and reinstallation
- Genuine Fastmount® Metal Range clip

Product Benefits

- Provides secure retention for removable panels
- Allows quick panel removal for maintenance and servicing
- Delivers reliable performance in demanding environments
- Creates a clean, concealed installation
- Durable metal construction ensures long service life

- Supports fast, accurate panel assembly

Technical Characteristics

- **Product Type:** Female Concealed Mounting Clip
- **Brand:** Fastmount
- **Model:** MC-F5
- **System Compatibility:** Fastmount® Metal Clip Range
- **Clip Type:** Female
- **Holding Capacity:** 5kg
- **Material:** Metal
- **Installation:** Concealed Mounting
- **Application:** Removable Panel Mounting

Applications

The **Fastmount MC-F5 Metal Female Clip** is ideal for **architectural joinery, furniture manufacturing, marine interiors, commercial fit-outs, exhibition systems, transport vehicles, industrial equipment enclosures and retail displays**. Designed for use with compatible **Fastmount® Metal Range male clips**, it provides a strong, concealed and removable fixing solution that allows panels to be easily removed and refitted for inspection, maintenance or servicing.

Property	Value
Finish	Plain
Width (mm)	31
Length (mm)	15
Height (mm)	34
Material	Zinc Alloy
Min. Panel Thickness (mm)	14
Weight (g)	19
Fasteners Type	3.5 mm / # 6 self tapping screw
Installation Type	Self tapping / Screw on
Pull-out Force (kg)	5
