Fastmount Standard Auto Fit Clip - Female

Variant code: PC-AF1

Fastmount Standard Auto-Fit Female Clip (PC-AF1) is a precision-engineered concealed mounting clip designed to provide fast, secure and accurate panel installation. Featuring an innovative **auto-fit design**, the clip automatically compensates for variations in panel thickness and installation tolerances, ensuring consistent engagement and a professional concealed finish across a wide range of applications.

Manufactured from durable engineering-grade polymer, the PC-AF1 delivers excellent strength, vibration resistance and long-term reliability. Designed for use with compatible **Fastmount® Standard Profile male clips**, it forms a secure concealed fixing while allowing panels to be repeatedly removed and refitted without damaging the mounting system.

As part of the **Fastmount® Standard Profile concealed panel mounting system**, the PC-AF1 provides an efficient and dependable solution for removable panels used in furniture, marine interiors, transport, commercial fit-outs and architectural joinery.

Product Features

- **Standard Profile auto-fit female clip**
- Automatically compensates for panel thickness variations
- Compatible with Fastmount® Standard Profile male clips
- Concealed fixing system
- Durable engineering-grade polymer construction
- Strong, vibration-resistant connection
- Allows repeated panel removal and reinstallation
- Genuine Fastmount® Standard Profile clip

Product Benefits

- Speeds up installation and improves fitting accuracy
- Provides a secure concealed panel fixing
- Automatically adjusts for minor installation tolerances
- Delivers consistent clip engagement

- Reduces installation time and rework
- Provides long-lasting performance in demanding environments

Technical Characteristics

- **Product Type:** Female Concealed Mounting Clip
- **Brand:** Fastmount
- **Model:** PC-AF1
- **System Compatibility:** Fastmount® Standard Profile Range
- **Clip Type:** Auto-Fit Female
- **Material:** Engineering-Grade Polymer
- **Installation:** Concealed Panel Mounting
- **Application:** Removable Panel Fixing

Applications

The **Fastmount PC-AF1 Standard Auto-Fit Female Clip** is ideal for **marine interiors, architectural joinery, furniture manufacturing, shopfitting, exhibition displays, transport vehicles, retail fixtures and commercial interior fit-out projects**. Designed for use with compatible Fastmount® Standard Profile male clips, it provides a secure, concealed and removable fixing solution that supports fast installation, consistent alignment and convenient access for maintenance or servicing.

Property	Value
Finish	White
Width (mm)	49.9
Length (mm)	18
Height (mm)	49.9
Material	Plastic (POM)
Min. Panel Thickness (mm)	15
Weight (g)	17.2
Fasteners Type	3.5 mm or #6 self tapping screw
Installation Type	Screw on
