Fastmount Standard Self Tapping Clip - Female

Variant code: PC-F1A

Fastmount Standard Self-Tapping Female Clip (PC-F1A) is a professional concealed mounting clip designed to provide secure, accurate and removable panel fixing across a wide range of applications. Its **self-tapping design** allows quick installation into suitable substrates, helping reduce fitting time while creating a strong and reliable concealed connection.

Manufactured from durable engineering-grade polymer, the PC-F1A offers excellent strength, vibration resistance and long-term performance. Designed for use with compatible **Fastmount® Standard Profile male clips**, it provides precise engagement while allowing panels to be repeatedly removed and refitted without damaging the mounting system.

As part of the **Fastmount® Standard Profile concealed panel mounting system**, the PC-F1A provides a clean, professional finish while supporting convenient access for inspection, maintenance and servicing.

Product Features

- **Standard Profile self-tapping female clip**
- Compatible with Fastmount® Standard Profile male clips
- Self-tapping design for quick installation
- Concealed fixing system
- Durable engineering-grade polymer construction
- Strong, vibration-resistant connection
- Allows repeated panel removal and reinstallation
- Genuine Fastmount® Standard Profile clip

Product Benefits

- Speeds up installation and reduces labour time
- Provides a secure concealed panel fixing
- Delivers accurate and consistent clip engagement
- Allows easy access for maintenance and servicing
- Durable construction ensures long

service life
- Maintains a clean, professional panel appearance

Technical Characteristics

- **Product Type:** Female Concealed Mounting Clip
- **Brand:** Fastmount
- **Model:** PC-F1A
- **System Compatibility:** Fastmount® Standard Profile Range
- **Clip Type:** Self-Tapping Female
- **Material:** Engineering-Grade Polymer
- **Installation:** Self-Tapping Concealed Mounting
- **Application:** Removable Panel Fixing

Applications

The **Fastmount PC-F1A Standard Self-Tapping Female Clip** is ideal for **marine interiors, architectural joinery, furniture manufacturing, shopfitting, exhibition displays, transport vehicles, retail fixtures and commercial interior fit-out projects**. Designed for use with compatible Fastmount® Standard Profile male clips, it provides a secure, concealed and removable fixing solution that enables panels to be quickly removed and refitted for inspection, maintenance or servicing.

Property	Value
Finish	White
Width (mm)	19.8
Length (mm)	16.8
Height (mm)	19.8
Material	Plastic (POM)
Min. Panel Thickness (mm)	15
Weight (g)	2.6
Installation Type	Self tapping
