

Fastmount Standard Self Tapping Clip – Female

Variant code: PC-F1A

The self tapping PC-F1A female clip works with the all Standard range male clips. Designed for adhesive fix, heavy duty, high shear strength or variable gap requirements.

BENEFITS

- Self-aligning installation without adhesives
- Perfect panel alignment and secure mounting every time
- Remove and refit panels in any sequence multiple times
- Saves time and reduces cost
- Option of 2kg, 5kg, 10kg, or 15kg pull out load per clip
- Allows for flexing and expansion of panel and support frame

APPLICATIONS

- Covered, painted and prefinished panels
- Ceiling and wall panels
- Exterior panels
- Refits and upgrades of existing installations
- Variety of substrates
- Composites and thin-walled panels

The Fastmount® multi-award winning system has revolutionized the mounting of panels. Panels can easily be removed and refitted in any sequence time after time.
