# Fastmount Standard Self Tapping Clip - Male

**Variant code: PC-M1B**

**Fastmount Standard Self-Tapping Male Clip (PC-M1B)** is a precision-engineered concealed mounting clip designed to provide fast, secure and removable panel fixing for professional applications. Featuring a **self-tapping design**, the clip installs directly into suitable substrates without the need for pre-threading, simplifying installation while delivering a strong and reliable concealed connection.

Manufactured from durable engineering-grade polymer, the PC-M1B offers excellent strength, vibration resistance and long-term performance. Designed to engage with compatible **Fastmount® Standard Profile female clips**, it creates a secure concealed fixing that allows panels to be repeatedly removed and refitted without damaging the mounting system.

As part of the **Fastmount® Standard Profile concealed panel mounting system**, the PC-M1B helps achieve clean, flush panel installations while providing reliable access for inspection, maintenance and servicing.

## Product Features

- **Standard Profile self-tapping male clip**
- Compatible with Fastmount® Standard Profile female clips
- Self-tapping design for fast installation
- Concealed fixing system
- Durable engineering-grade polymer construction
- Strong, vibration-resistant connection
- Suitable for repeated panel removal and reinstallation
- Genuine Fastmount® Standard Profile clip

## Product Benefits

- Speeds up installation and reduces labour time
- Provides a secure concealed panel fixing
- Delivers reliable and consistent clip engagement
- Allows easy panel removal for maintenance and servicing
- Durable construction ensures long

service life
- Creates a clean, professional concealed finish

## Technical Characteristics

- **Product Type:** Male Concealed Mounting Clip
- **Brand:** Fastmount
- **Model:** PC-M1B
- **System Compatibility:** Fastmount® Standard Profile Range
- **Clip Type:** Self-Tapping Male
- **Material:** Engineering-Grade Polymer
- **Installation:** Self-Tapping Concealed Mounting
- **Application:** Removable Panel Fixing

## Applications

The **Fastmount PC-M1B Standard Self-Tapping Male Clip** is ideal for **marine interiors, architectural joinery, furniture manufacturing, shopfitting, exhibition displays, transport vehicles, retail fixtures and commercial interior fit-out projects**. Designed for use with compatible Fastmount® Standard Profile female clips, it provides a secure, concealed and removable fixing solution that allows panels to be quickly removed and refitted for inspection, maintenance or servicing.

| Property | Value |
|---|---|
| Finish | White |
| Width (mm) | 20 |
| Length (mm) | 23 |
| Height (mm) | 20 |
| Material | Plastic (POM) |
| Min. Panel Thickness (mm) | 15 |
| Weight (g) | 2.2 |
| Installation Type | Self tapping |
| Pull-out Force (kg) | 5 |
