

Fastmount Standard Self Tapping Clip – Male

Variant code: PC-MIB

The self-tapping male PC-MIB is a versatile clip that works with all female clips in the Standard Range, and is suitable for various panel mounting applications. With a 5kg pull out load, the PC-MIB is suitable for small and medium weight panels.

BENEFITS

- Self-aligning installation without adhesives
- Perfect panel alignment secure mounting every time
- Remove and refit panels in any sequence 100+ times
- Saves time and reduces cost
- Allows for flexing and expansion of panel and support frame materials
- 5kg pull out load

APPLICATIONS

- Covered or painted panels with minimum 8mm thickness
- Ceiling and wall panels
- Exterior deckhead panels
- Refits and upgrades of existing installation
- Variety of substrates

The Fastmount® multi-award winning system has revolutionized the mounting of panels. Panels can easily be removed and refitted in any sequence time after time.
