Fastmount Standard Surface Mount Adhesive Fix Clip - Male

Variant code: PC-SM2

Fastmount Standard Surface Mount Adhesive Fix Male Clip (PC-SM2) is a professional concealed mounting clip designed to provide a secure, removable fixing for panels without the need for recessed installation. Featuring a **surface-mount design**, the clip can be bonded directly to panels using a suitable adhesive, making it ideal for applications where screw fixing is undesirable or impractical.

Manufactured from durable engineering-grade polymer, the PC-SM2 delivers excellent strength, vibration resistance and long-term reliability. Designed for use with compatible **Fastmount® Standard Profile female clips**, it provides precise engagement while allowing panels to be repeatedly removed and refitted without damaging the concealed mounting system. Its low-profile design maintains a clean, professional finish, making it suitable for high-quality architectural and interior projects.

As part of the **Fastmount® Standard Profile concealed panel mounting system**, the PC-SM2 offers a fast, flexible and discreet solution for removable panel installations across furniture, marine, transport and commercial fit-out applications.

Product Features

- Standard Profile surface mount male clip
- Designed for adhesive fixing
- Compatible with Fastmount® Standard Profile female clips
- Surface-mounted installation
- Concealed fixing system
- Low-profile design
- Durable engineering-grade polymer construction
- Strong, vibration-resistant connection
- Suitable for repeated panel removal and reinstallation
- Genuine Fastmount® Standard Profile clip

Product Benefits

Tel: 01626 333900
Email: info@swshardware.com

- Eliminates the need for recessed mounting
- Ideal where screw fixing is not suitable
- Creates a clean, concealed panel installation
- Allows quick removal and refitting of panels
- Provides reliable long-term performance
- Simplifies installation across a variety of substrates

Technical Characteristics

- **Product Type:** Surface Mount Adhesive Fix Male Concealed Mounting Clip
- **Brand:** Fastmount
- **Model:** PC-SM2
- **System Compatibility:** Fastmount® Standard Profile Range
- **Clip Type:** Surface Mount Adhesive Fix Male
- **Fixing Method:** Adhesive Bonding
- **Material:** Engineering-Grade Polymer
- **Installation:** Surface Mounted
- **Application:** Removable Panel Mounting

Applications

The **Fastmount PC-SM2 Standard Surface Mount Adhesive Fix Male Clip** is ideal for **architectural wall panels, marine interiors, furniture manufacturing, shopfitting, exhibition displays, commercial fit-outs, transport interiors and bespoke joinery**. Designed for use with compatible **Fastmount® Standard Profile female clips**, it provides a secure, concealed and removable fixing solution that enables fast installation and repeated panel removal for maintenance or servicing while maintaining a clean, professional appearance.
