

Fastmount Standard Surface Mount Screw Fix Clip – Female

Variant code: PC-SF1

Fastmount Standard Surface Mount Screw Fix Female Clip (PC-SF1) is a professional concealed mounting clip designed to provide a secure, removable panel fixing where recessed installation is not required. Featuring a **surface-mount, screw-fixed design**, the clip offers quick installation while maintaining the clean, concealed appearance of the Fastmount® Standard Profile mounting system.

Manufactured from durable engineering-grade polymer, the PC-SF1 provides excellent strength, vibration resistance and long-term reliability. Designed for use with compatible **Fastmount® Standard Profile male clips**, it delivers precise engagement while allowing panels to be removed and refitted repeatedly without damaging the mounting system. Its surface-mounted configuration makes it particularly suitable for retrofit projects, existing structures and applications where routing or recessing is impractical.

As part of the **Fastmount® Standard Profile concealed panel mounting system**, the PC-SF1 provides an efficient solution for removable panels across furniture, marine, transport and commercial fit-out projects.

Product Features

- Standard Profile surface mount female clip
- Screw-fixed installation
- Compatible with Fastmount® Standard Profile male clips
- Surface-mounted design
- Concealed fixing system
- Durable engineering-grade polymer construction
- Strong, vibration-resistant connection
- Allows repeated panel removal and reinstallation
- Genuine Fastmount® Standard Profile clip

Product Benefits

- Simple surface mounting with no recessing required
- Speeds up installation and reduces

- labour time
- Provides a secure concealed panel fixing
- Ideal for retrofit and refurbishment projects
- Allows easy panel removal for maintenance and servicing
- Delivers reliable long-term performance

Technical Characteristics

- **Product Type:** Surface Mount Female Concealed Mounting Clip
- **Brand:** Fastmount
- **Model:** PC-SF1
- **System Compatibility:** Fastmount® Standard Profile Range
- **Clip Type:** Surface Mount Screw Fix Female
- **Fixing Method:** Screw Fixed
- **Material:** Engineering-Grade Polymer
- **Installation:** Surface Mounted
- **Application:** Removable Panel Mounting

Applications

The **Fastmount PC-SF1 Standard Surface Mount Screw Fix Female Clip** is ideal for **marine interiors, architectural joinery, furniture manufacturing, shopfitting, exhibition displays, commercial fit-outs, transport vehicles and refurbishment projects**. Designed for use with compatible **Fastmount® Standard Profile male clips**, it provides a secure, concealed and removable fixing solution that enables fast installation and repeated panel removal for inspection, maintenance or servicing while maintaining a clean, professional finish.

Property	Value
Finish	White
Width (mm)	48
Length (mm)	15.5
Height (mm)	25
Material	Plastic (POM)
Min. Panel Thickness (mm)	15
Weight (g)	5.9

Property	Value
Fasteners Type	3.5 mm or #6 self tapping screw
Installation Type	Surface mount with screws (2)
