Fastmount Textile Clip Heavy Duty - Female

Variant code: TC-F6H

Fastmount Textile Heavy Duty Female Clip (TC-F6H) is a robust concealed mounting clip specifically developed for the **Fastmount® Textile Range**. Designed for upholstered and fabric-covered panels, this heavy-duty female clip provides a secure, removable fixing while preserving the clean appearance of textile installations. Its concealed design allows panels to be removed and refitted repeatedly without damaging the fabric finish or mounting system.

Manufactured from high-performance engineering-grade polymer, the TC-F6H offers exceptional durability, vibration resistance and long-term reliability. Designed to engage with compatible **Fastmount® Textile Range male clips**, it delivers consistent retention and accurate panel alignment, making it ideal for applications where regular access behind upholstered panels is required.

As part of the **Fastmount® multi-award-winning concealed panel mounting system**, the TC-F6H provides a professional fixing solution that combines strong holding performance with fast installation and convenient panel removal for maintenance or servicing.

Product Features

- Heavy-duty female clip for the Fastmount® Textile Range
- Designed for upholstered and fabric-covered panels
- Compatible with Fastmount® Textile Range male clips
- Concealed removable fixing system
- Heavy-duty retention for demanding applications
- Durable engineering-grade polymer construction
- Strong, vibration-resistant connection
- Allows repeated panel removal and reinstallation
- Suitable for commercial and marine environments
- Genuine Fastmount® Textile Range clip

Product Benefits

SWS HARDWARE
