

Fastmount Textile Clip VHB Tape Fix – Male

Variant code: TC-SM6

The TC-SM6 is a translucent surface mount male clip with self-adhesive VHB backing for rapid and durable installation of soft furnishings. Clip attaches to hard surface and compatible with TC-F6H from the Textile Range.

BENEFITS

- VHB self-adhesive fix
- Enables attachment of soft furnishings to painted or gelcoat surfaces
- Makes furnishings quick to install, and easy to remove
- High quality, secure finish
- Easy alignment to replace the cushion, clip locks into place
- Purpose built • Saves removal time for staff and crew
- Invisible fixing – no visible domes, screws, straps or hook and loop Break load of 32kg when used with TC-F6H
- VHB tape on TC-SM6 is clear in colour and UV stabilised, bonds extremely well to painted, smooth flat surfaces.
- No penetrations or screw holes in deck structure when using TC-SM6

The Fastmount® multi-award winning system has revolutionized the mounting of panels. Panels can easily be removed and refitted in any sequence time after time.
