

Fastmount Very Low Profile Exrta Heavy Duty Clip – 25kg – Male

Variant code: VL-M3X

The VL-M3X is the strongest fixing in the Very Low Profile Range, ideal for more permanent fixings in applications such as sofa arms in furniture, heavy artwork, and large, heavyweight interior panels. With a 25kg pull out load and 75kg shear load, the VL-M3X clips into the VL-F3H with no special tools required for installation.

Can be used with a wide range of adhesives or screw fixed, according to application type.
