

Fastmount Very Low Profile Fire Rated Clip – Female

Variant code: VL-F3FR

Fastmount Very Low Profile Fire Rated Female Clip (VL-F3FR) is a precision-engineered concealed mounting clip designed for applications where **fire performance, minimal panel clearance and discreet aesthetics** are essential. As part of the **Fastmount® Very Low Profile Range**, this fire-rated female clip provides a secure, removable fixing while maintaining an exceptionally low installation height, making it ideal for commercial buildings, public spaces and premium architectural interiors.

Manufactured from high-performance engineering-grade polymer, the VL-F3FR offers outstanding strength, vibration resistance and long-term durability. Designed for use with compatible **Fastmount® Very Low Profile male clips**, it delivers consistent engagement while allowing panels to be repeatedly removed and refitted without damaging the concealed mounting system. Its fire-rated construction helps support compliance with fire safety requirements while maintaining the clean, flush appearance expected in modern interior design.

As part of the **Fastmount® multi-award-winning concealed panel mounting system**, the VL-F3FR combines dependable performance, quick installation and easy panel accessibility, making it an ideal solution for fire-rated removable panel systems.

Product Features

- Very Low Profile **fire-rated** female clip
- Ultra-low profile concealed fixing
- Compatible with Fastmount® Very Low Profile male clips, **10kg (22lb) pull out load per clip set.**
- Designed for fire-rated panel systems
- Durable engineering-grade polymer construction
- Strong, vibration-resistant connection
- Compact design for restricted installation spaces
- Quick and straightforward installation
- Allows repeated panel removal and reinstallation
- Genuine Fastmount® Very Low Profile clip

Product Benefits

- Supports fire-rated architectural installations
- Creates a discreet, near-invisible concealed fixing
- Provides secure and reliable panel retention
- Enables quick panel removal for maintenance and servicing
- Reduces installation time while maintaining accurate alignment
- Delivers long-lasting performance in demanding commercial environments

Technical Characteristics

- **Product Type:** Fire-Rated Female Concealed Mounting Clip
- **Brand:** Fastmount
- **Model:** VL-F3FR
- **Range:** Fastmount® Very Low Profile
- **Clip Type:** Female
- **Fire Rating:** Suitable for fire-rated panel systems
- **Material:** Engineering-Grade Polymer
- **Installation:** Concealed Panel Mounting
- **Application:** Fire-Rated Removable Panel Fixing

Applications

The **Fastmount VL-F3FR Very Low Profile Fire Rated Female Clip** is ideal for **architectural wall panels, fire-rated wall systems, commercial interiors, healthcare facilities, education buildings, hotels, public buildings, signage, cabinetry, furniture, machinery enclosures and bespoke joinery**. Designed for use with compatible **Fastmount® Very Low Profile male clips**, it provides a secure, concealed and removable fixing solution that combines enhanced fire performance with fast installation, reliable retention and convenient access for maintenance or servicing.
