Fastmount Very Low Profile Fire Rated Clip - Male

Variant code: VL-M3FR

Fastmount Very Low Profile Fire Rated Male Clip (VL-M3FR) is a high-performance concealed mounting clip designed for applications where **fire safety, minimal panel clearance and discreet aesthetics** are essential. As part of the **Fastmount® Very Low Profile Range**, this fire-rated male clip provides a secure, removable fixing while maintaining an exceptionally low installation height, making it ideal for commercial buildings, public spaces and premium architectural interiors.

Manufactured from high-performance engineering-grade polymer, the VL-M3FR delivers excellent strength, vibration resistance and long-term durability. Designed for use with compatible **Fastmount® Very Low Profile female clips**, it provides reliable engagement while allowing panels to be repeatedly removed and refitted without damaging the concealed mounting system. Its fire-rated construction supports applications requiring enhanced fire performance while preserving the clean, flush appearance of modern wall and ceiling installations.

As part of the **Fastmount® multi-award-winning concealed panel mounting system**, the VL-M3FR combines dependable retention, fast installation and convenient panel accessibility, making it an ideal solution for fire-rated removable panel systems.

Product Features

- Very Low Profile **fire-rated** male clip
- Ultra-low profile concealed fixing
- Compatible with Fastmount® Very Low Profile female clips
- Designed for fire-rated panel systems
- Durable engineering-grade polymer construction
- Strong, vibration-resistant connection
- Compact design for restricted installation spaces
- Quick and easy installation
- Suitable for repeated panel removal and reinstallation
- Genuine Fastmount® Very Low Profile clip

Product Benefits

Tel: 01626 333900
Email: info@swshardware.com

- Supports fire-rated wall and ceiling installations
- Creates a discreet, near-invisible concealed fixing
- Provides secure and reliable attachment of panels and fixtures
- Enables quick panel removal for maintenance and servicing
- Reduces installation time and labour costs
- Delivers long-lasting performance in demanding commercial environments

Technical Characteristics

- **Product Type:** Fire-Rated Male Concealed Mounting Clip
- **Brand:** Fastmount
- **Model:** VL-M3FR
- **Range:** Fastmount® Very Low Profile
- **Clip Type:** Male
- **Fire Rating:** Suitable for fire-rated panel systems
- **Material:** Engineering-Grade Polymer
- **Installation:** Concealed Panel Mounting
- **Application:** Fire-Rated Removable Panel Fixing

Applications

The **Fastmount VL-M3FR Very Low Profile Fire Rated Male Clip** is ideal for **fire-rated walls and ceilings in hospitals, schools, offices and other public buildings, as well as architectural installations, museum displays, retail fit-outs, lightweight wall panels, ceiling panels, signage, exhibition displays and bespoke joinery**. Designed for use with compatible **Fastmount® Very Low Profile female clips**, it provides a secure, concealed and removable fixing solution that combines enhanced fire performance with fast installation, reliable retention and convenient access for maintenance or servicing.
