Fastmount Very Low Profile Heavy Duty Clip - 10kg - Female

Variant code: VL-F3H

Fastmount Very Low Profile Heavy Duty Female Clip (VL-F3H) is a high-strength concealed mounting clip designed for applications requiring exceptional holding power with minimal installation depth. As part of the **Fastmount® Very Low Profile Range**, this heavy-duty female clip provides a **10kg load capacity**, delivering secure, removable panel fixing while maintaining a discreet, ultra-low profile appearance.

Manufactured from high-performance engineering-grade polymer, the VL-F3H offers outstanding durability, vibration resistance and long-term reliability. Designed for use with compatible **Fastmount® Very Low Profile male clips**, it provides consistent engagement and secure panel retention while allowing panels to be repeatedly removed and refitted without damaging the concealed mounting system. Its compact design makes it ideal for installations where space is limited but a higher load capacity is required.

As part of the **Fastmount® multi-award-winning concealed panel mounting system**, the VL-F3H combines heavy-duty performance with fast installation and easy panel accessibility, making it suitable for demanding commercial, marine, automotive and industrial applications.

Product Features

- Very Low Profile heavy-duty female clip
- **10kg load capacity**
- Ultra-low profile concealed fixing
- Compatible with Fastmount® Very Low Profile male clips
- Durable engineering-grade polymer construction
- Heavy-duty, vibration-resistant connection
- Compact design for restricted installation spaces
- Quick and easy installation
- Suitable for repeated panel removal and reinstallation
- Genuine Fastmount® Very Low Profile clip

Product Benefits

- Supports heavier panels with a secure concealed fixing
- Creates a clean, low-profile professional finish
- Provides reliable performance in demanding environments
- Enables quick panel removal for maintenance and servicing
- Reduces installation time and labour costs
- Delivers long-lasting durability and consistent retention

Technical Characteristics

- **Product Type:** Heavy-Duty Female Concealed Mounting Clip
- **Brand:** Fastmount
- **Model:** VL-F3H
- **Range:** Fastmount® Very Low Profile
- **Clip Type:** Female
- **Load Capacity:** 10kg
- **Material:** Engineering-Grade Polymer
- **Installation:** Concealed Panel Mounting
- **Application:** Heavy-Duty Removable Panel Fixing

Applications

The **Fastmount VL-F3H Very Low Profile Heavy Duty Female Clip** is ideal for **automotive interiors, marine installations, industrial equipment, architectural wall panels, furniture manufacturing, retail displays, exhibition systems and bespoke joinery**. Designed for use with compatible **Fastmount® Very Low Profile male clips**, it provides a secure, concealed and removable fixing solution that supports heavier panels while allowing quick removal and refitting for maintenance, inspection or servicing.
