Fingerplate - Plain - 800mm - Black

Variant code: 73180

Normally used in commercial properties, our range of pushplates and kickplates are a decorative solution to 'push' open doors, adding protection to the door to avoid wear in heavy traffic areas.

Designed to match our standard pull handles, our fingerplates can be fitted on the reverse side of the door to conceal their fixings.

Supplied with matching SS wood screws.

Property	Value
Finish	Black
Depth (mm)	4
Width (mm)	66
Range	Plain
Overall Length (mm)	800
