

Flat Bookcase Strip – Bronze Anodised

Variant code: 7470.BRZ

Simplicity of installation and the ease with which shelf heights and the quantity of shelves per bay can be adjusted make this system a very popular solution to shelving problems, suitable for everyone from DIY enthusiasts, shopfitters, to joinery companies and furniture manufacturers. Ideal for small projects such as improving storage facilities in the home, right up to main library and chain store multiple bay shelving installations. Traditional bookcase strip design for flush fitting by inserting into a pre-machined stepped groove. Standard stepped cutters are available to simplify the preparation process. The preferred choice of craftsmen. The design has the advantage of allowing the shelves to fit flush to the inside faces of the shelving bay. The standard stock length is 1829mm (6ft).
