Variant code: 83560

Our flower mortice knob is part of our blacksmith range of knobsets.

Designed to match our flower cabinet knobs to create a uniform feeling throughout your home.

Can be used with a multitude of heavy duty locks, latches & thumbturns for various uses within the home.

- The strength of the spring found in a heavy-duty lock/latch will ensure the knob returns to it's original position.
- We recommend using a 3", 4" or 5" latch/lock.
- Supplied with matching SS wood screws.
