

Full Extension Ball Bearing Soft Close Runner 20KG - 300mm

Variant code: ABR75300

Self and soft closing slide. Full extension (3 members). With a bumper to avoid metal-to-metal noise at the end of the course. The drawer is detachable by lifting the lever. Self-closes at 20 mm distance from closed position (250-350 mm slide) and at 36 mm distance from closed position (400-600 mm slide).
