

Glass Bracket – For Glass Top Cabinet – Will Suit 6 – 8mm Glass – Left Hand – 24K Gold Plated

Variant code: AGB02209GL.LH

Glass Top Cabinet Glass Bracket is a premium mounting bracket designed to support glass cabinet tops using compatible Sugatsune GS-GH20 glass hinges. Suitable for **6mm to 8mm thick glass**, the bracket provides a secure and attractive fixing solution for display cabinets, retail showcases and furniture requiring a frameless glass top. Manufactured from high-quality metal, it combines strength, durability and an elegant finish for premium furniture applications.

Designed for use as either a **left-hand or right-hand** bracket, the bracket ensures precise alignment and reliable support for glass panels. Available in a choice of **Polished Chrome, 24K Gold Plated and Black** finishes, it complements a wide range of cabinet styles, from contemporary retail displays to luxury furniture installations.

Engineered for straightforward installation and long-lasting performance, this glass bracket provides a neat, professional finish while securely supporting glass tops in commercial and residential environments.
