

Gosford Monobloc Tap Aquifier – Brushed Nickel

Variant code: AT2006

Gosford Aquifier takes the stunning design attributes of its sister monobloc and combines this with advanced water filtration technology allowing flow of hot, cold and filtered water from a dual handle monobloc – maintaining its modern day elegance. Push the cold lever backwards for crystal clear filtered water, easy to change, high quality carbon filter. Quarter turn handle action for precise flow control. Min 0.3 bar pressure required.
