

Gothic Curved Sprung Lever Lock Set – Black

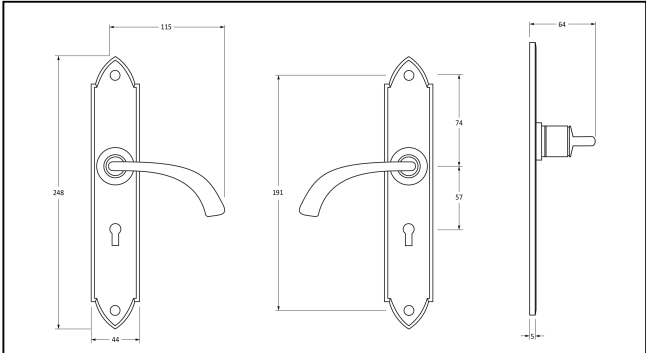

Variant code: 33136

Similar to our original gothic handles, this range was inspired by the medieval period. The lever part of the handle is hammered into shape by hand and has a smooth, curved shape.

- This handle has a strong spring incorporated into the stylish boss design to give both functionality & elegance.
- Lever handle for internal and external doors where locking is required.
- Set includes 2 lever lock handles.
- Can be used with a 5 lever sash lock BS.
- Supplied with matching SS bolt through fixings.

Property	Value
Finish	Black

Gallery

Technical drawing of the Gothic Curved Sprung Lever handle. The drawing includes three views: a front view, a side view, and a detail view of the handle's end. Dimensions are provided in millimeters (mm). The front view shows a height of 248mm, a width of 44mm, and a mounting hole diameter of 115mm. The side view shows a height of 191mm, a mounting hole diameter of 74mm, and a distance of 57mm from the handle to the mounting hole. The detail view shows a width of 64mm.

Please Note, due to the hand crafted nature of our products all measurements are approximate and should be used as a guide only.
