

## Gothic Lever Latch Set- Beeswax

**Variant code: 33270**

Inspired by the medieval period, the gothic range of handles were the first design we manufactured. The lever part of the handle is hammered into shape by hand and is positioned at an angle to match the gothic design of the backplate.

- This handle has a strong spring incorporated into the stylish boss design to give both functionality & elegance.
- Lever handle for internal doors where locking is not required.
- Set includes 2 lever latch handles.
- Can be used with a tubular mortice latch.
- Supplied with matching SS bolt through fixings.
