

Gothic Lever Lock Set – Black

Variant code: 33276

Inspired by the medieval period, the gothic range of handles were the first design we manufactured. The lever part of the handle is hammered into shape by hand and is positioned at an angle to match the gothic design of the backplate.

- This handle has a strong spring incorporated into the stylish boss design to give both functionality & elegance.
- Lever handle for doors where locking is required.
- Set includes 2 lever lock handles.
- Can be used with a 5 lever sash lock BS.
- Supplied with matching SS bolt through fixings.
