Grade 13 Ball Bearing Hinge, Square and Radius Options.

Key Features:

- Max Load 120kg
- CE mark and Certifire tested
- Suitable for commercial and domestic use
- 10 year mechanical guarantee and are fire door rated

For standard internal residential doors a pair of hinges is adequate; however fitting 3 hinges per door has its advantages. It will look aesthetically pleasing and from a practical viewpoint it helps spread the load evenly and will help to overcome twisting or warping. This can sometimes happen to doors over a period of time where heat and moisture are a factor..
