

Hammered D Handle – 5" – Natural Smooth

Variant code: 83527

The hammered d handle is part of the blacksmith range of pull handles.

Designed to match our hammered cupboard knobs to create a uniform feeling throughout your home.

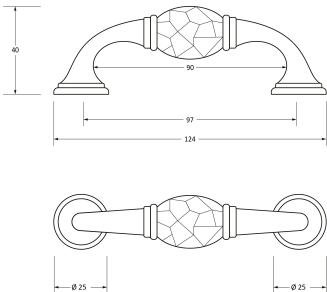

Our regency pull handles vary in use from entrance to cupboard doors depending on the chosen size of pull handle.

- Available in three different sizes.
- Sold in singles.
- Supplied with SS M4 screws.

Our natural smooth products are made from a natural cast iron and finished with a clear matt lacquer. This produces a beautifully smooth look and offers a simplistic charm with versatile attributes, making it suitable for both traditional and contemporary settings.

Property	Value
Finish	Natural Smooth
Depth (mm)	40
Range	Hammered
Overall Length (mm)	124

Gallery

Technical drawing of a pull handle. The front view shows a curved handle with a central textured grip. Dimensions: height 40, grip width 90, mounting hole spacing 97, total width 124. The side view shows the handle's profile with mounting holes of diameter 25.

Please Note, due to the hand crafted nature of our products all measurements are approximate and should be used as a guide only.
