

Hammered D Handle – 5" – Natural Smooth

Variant code: 83527

The hammered d handle is part of the blacksmith range of pull handles.

Designed to match our hammered cupboard knobs to create a uniform feeling throughout your home.

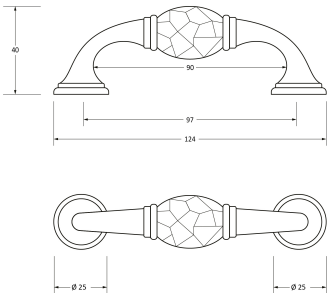

Our regency pull handles vary in use from entrance to cupboard doors depending on the chosen size of pull handle.

- Available in three different sizes.
- Sold in singles.
- Supplied with SS M4 screws.

Our natural smooth products are made from a natural cast iron and finished with a clear matt lacquer. This produces a beautifully smooth look and offers a simplistic charm with versatile attributes, making it suitable for both traditional and contemporary settings.

Property	Value
Finish	Natural Smooth
Depth (mm)	40
Range	Hammered
Overall Length (mm)	124

Gallery

Technical drawing of a pull handle. The top view shows a central diamond-shaped handle with a width of 90mm and a total width of 124mm. The side view shows a height of 40mm and a diameter of 25mm at the mounting points.

Please Note, due to the hand crafted nature of our products all measurements are approximate and should be used as a guide only.
