

Hat & Double Coat Hook on Rose – Satin Stainless Steel

Variant code: AC814.SSS

The **Hat & Double Coat Hook on Rose** is a premium architectural coat hook designed to provide a practical and stylish storage solution for coats, hats, bags and other garments. Finished in **Satin Stainless Steel (SSS)**, this contemporary hook features a dual-hook design mounted on a neat circular rose, making it an ideal choice for commercial, public and residential environments. Its clean, modern appearance complements a wide range of stainless steel door hardware and architectural ironmongery.

Manufactured from high-quality stainless steel, the hook is engineered for strength, durability and corrosion resistance, ensuring reliable performance in busy, high-traffic areas. The upper hook is ideal for hats and accessories, while the lower double hook provides convenient hanging space for coats, jackets and bags. The concealed fixing design creates a tidy, professional installation with no visible fixings.

Suitable for new-build developments, refurbishment projects and everyday use, the Hat & Double Coat Hook on Rose offers a durable, low-maintenance solution that combines functionality with contemporary architectural styling.
