

Hawa Acoustics Horizontal Seal Set – Extra Small – 750 –780mm – Left Hand

Variant code: 30437

Hawa Acoustics Horizontal Seal Set – Extra Small (750 – 850mm) | Premium Soundproofing for Sliding Doors

Seal out noise and light effortlessly with the **Hawa Acoustics Horizontal Seal Set – Extra Small**. Specifically designed for **sliding door systems** in the **750mm to 850mm** width range, this set is the essential component for achieving superior **acoustic insulation** and enhanced **privacy** in any space. Perfect for **modern architectural designs** and **retrofit projects**, our horizontal seal ensures your sliding door performs to its maximum potential.

Key Features & Benefits

- **Superior Acoustic Performance:** Effectively dampens sound transmission, creating a quiet and **soundproof** environment. Ideal for **office partitions**, **conference rooms**, **recording studios**, and **private residences**.
- **Optimal Fit for Narrow Openings:** The **Extra Small** size is precision-engineered to accommodate door widths between **750mm and 850mm**, ensuring a snug, reliable seal across the bottom of the door.
- **Automatic Drop-Down Mechanism:** Features a self-levelling, **automatic sealing profile** that drops down to meet the floor when the door is closed and retracts when the door is opened, ensuring smooth operation without drag.
- **Enhanced Light & Draft Sealing:** Beyond noise control, the seal effectively blocks unwanted **light infiltration** and **air drafts**, contributing to better **energy efficiency** and **thermal insulation**.
- **Durable & High-Quality Construction:**

Built by **Hawa Acoustics**, a leader in **door hardware** and **soundproofing solutions**, guaranteeing long-lasting performance and reliability.

Product Specifications

Attribute	Detail
Product Name	Hawa Acoustics Horizontal Seal Set
Size/Range	Extra Small (XS)
Door Width	750mm – 850mm (Adjustable)
Application	Sliding Doors (Internal & External)
Function	Acoustic Seal , Draft Seal, Light Seal
Operation	Automatic Drop-Down
Material	High-grade Metal Housing & Flexible Sealing Gasket
Brand	Hawa Acoustics

Upgrade your door's performance today with the **Hawa Acoustics Horizontal Seal Set** – the smart choice for **noise reduction** and **enhanced door functionality**.

The new Hawa Acoustics range does not only provide effective sound attenuation, but also keeps odors, drafts and light out. You can therefore flexibly design those retreat zones which are so important using this innovative system extension, even in open architecture concepts.

Seal, Hawa Acoustics extra small – 750 – 780mm.

Handed – ensure you order the correct one for your requirements.
