Hawa Clipo 16 Soft Close System - Up to 16kg

Variant code: 053.3332.072

Experience Effortless Sliding with the Hawa Clipo 16 Soft Close System (Up to 16kg)

Upgrade your interior doors and furniture with the sophisticated and whisper-quiet operation of the Hawa Clipo 16 Soft Close System. Designed for sliding doors and panels weighing up to 16kg, this premium Swiss-engineered system delivers smooth, controlled movement and gentle, self-closing action, enhancing both functionality and elegance in any space.

Key Features and Benefits:

- **Smooth and Silent Sliding:** Enjoy exceptionally **smooth gliding** motion thanks to precision-engineered components and high-quality rollers. Say goodbye to noisy, jerky doors and embrace a serene environment.
- **Integrated Soft Close Mechanism:** Experience ultimate convenience and safety with the built-in **soft close** function. This innovative feature gently and automatically decelerates the door or panel as it approaches the closed position, preventing slamming and ensuring a quiet, controlled closure every time.
- **Effortless Operation:** The Hawa Clipo 16 system requires minimal effort to open and close, making it ideal for everyday use in homes, offices, and commercial spaces.
- **Durable and Reliable:** Built with **high-quality materials** and adhering to stringent Swiss manufacturing standards, the Hawa Clipo 16 system is designed for long-lasting performance and reliability. Invest in a solution that will stand the test of time.
- **Space-Saving Solution: Maximize your usable space** by opting for sliding doors and panels. The Clipo 16 system allows for seamless integration and eliminates the swing radius of traditional hinged doors.
- **Versatile Applications:** Perfect for a

wide range of interior applications, including:
    - **Interior sliding doors:** Create flexible room dividers and enhance flow between spaces.
    - **Cabinet doors:** Add a touch of modern elegance and functionality to kitchen cabinets, wardrobes, and storage units.
    - **Furniture panels:** Design sleek and accessible media units, shelving systems, and more.
- **Easy Installation:** While professional installation is recommended for optimal performance, the Hawa Clipo 16 system is designed with straightforward installation in mind. Clear instructions and readily available hardware ensure a smooth setup process.
- **Sleek and Discreet Design:** The system's components are designed to be unobtrusive, allowing the beauty of your doors and furniture to take centre stage.
- **Enhanced Safety:** The soft close mechanism prevents accidental finger trapping and reduces the risk of damage to doors and frames, making it a **safe choice** for households with children and pets.
- **Premium Quality:** Hawa is a renowned Swiss manufacturer known for its **premium quality** hardware solutions. Choose a brand you can trust for exceptional performance and durability.

Elevate your living or working space with the superior functionality and elegant design of the Hawa Clipo 16 Soft Close System. Experience the difference that quality engineering makes.
