Hawa Clipo 16 Track End Piece, Screw on - Grey Plastic - 2 Pieces

Variant code: 053.3210.081

Securely Finish Your Sliding Door System with the Durable Hawa Clipo 16 Track End Piece (Screw-On, Grey Plastic, 2 Pieces)

Ensure a **professional**, **safe**, and **long-lasting** finish to your Hawa Clipo 16 sliding door system with this pack of two **high-quality** track end pieces. Crafted from **robust** and **durable** grey plastic, these end pieces are specifically designed for **easy** screw-on installation, providing a **secure** and **neat** closure to your Clipo 16 track.

These **essential** components not only enhance the **aesthetic appeal** of your sliding door setup by offering a **clean** and **finished look**, but they also play a **crucial** role in preventing the door from running off the end of the track, ensuring **smooth** and **reliable** operation for years to come. The **precise fit** guarantees compatibility with the Hawa Clipo 16 system, making installation a **breeze**.

Key Features and Benefits:

- **Perfect Compatibility:** Specifically designed for the Hawa Clipo 16 sliding door system, ensuring a **seamless** and **integrated** fit.
- **Durable Construction:** Made from **strong** and **hard-wearing** grey plastic for **exceptional longevity** and resistance to wear and tear.
- **Secure Screw-On Installation:** Provides a **firm** and **stable** attachment to the track, offering added **security** and preventing accidental dislodgement.
- **Enhanced Safety:** Acts as a **reliable** stop, preventing the sliding door from running off the end of the track and ensuring **user safety**.
- **Professional Finish:** Contributes to a **polished** and **sophisticated** appearance of your sliding door installation.
- **Easy to Install:** The screw-on design allows for **quick** and **effortless** mounting.
- **Cost-Effective:** This pack of two end pieces offers **great value** for completing your sliding door project.
