## Hawa Clipo 36 H IS Fitting Set for 3 Doors: Effortless Sliding for Interior Spaces

**Unlock seamless movement and optimise your interior design with the Hawa Clipo 36 H IS Fitting Set for 3 Doors.** Engineered with Swiss precision, this high-quality sliding door system provides a smooth, quiet, and reliable solution for dividing rooms, creating walk-in wardrobes, or concealing storage areas.[1] Designed for inset sliding doors weighing up to 36 kg per door, this fitting set offers exceptional functionality and durability for residential and light commercial applications.

**Key Features & Benefits:**

- **Effortless and Silent Operation:** Experience the renowned smooth and quiet gliding action that Hawa is known for. High-quality rollers and precision-engineered components ensure a virtually soundless opening and closing experience.
- **Space-Saving Solution:** Maximise your living space by eliminating the swing radius of traditional hinged doors. Sliding doors create a clean and uncluttered aesthetic while optimising floor space.
- **Inset Door Design:** Achieve a sleek and contemporary look with inset doors that sit flush within the opening, creating a seamless transition between spaces.
- **Suitable for 3 Doors:** This comprehensive fitting set is specifically designed to accommodate three sliding doors, making it ideal for larger openings or creating multi-panel configurations.
- **Robust and Durable:** Constructed from high-quality materials, the Hawa Clipo 36 H IS fitting set is built to last, ensuring years of reliable performance.
- **Easy Installation:** While professional installation is recommended for optimal results, the system is designed with ease of installation in mind. Clear instructions and well-engineered components simplify the process.
