Variant code: 053.3358.071

Hawa Clipo - HM IS - 36 Sliding Door Hardware Set for Single Doors

Unlock Smooth and Silent Sliding with the Precision-Engineered Hawa Clipo HM IS-36 System

Upgrade your interior spaces with the renowned Swiss quality and effortless functionality of the **Hawa Clipo HM IS-36 sliding door hardware set**. Designed for **single interior doors** weighing up to **36 kg (approximately 79 lbs)**, this premium system delivers a sleek, minimalist aesthetic and exceptionally smooth, quiet operation. Perfect for residential and light commercial applications, the Hawa Clipo HM IS-36 transforms doorways into seamless transitions, maximising space and enhancing the modern feel of any room.

Key Features and Benefits:

- **Designed for Single Doors:** Specifically engineered for the smooth and reliable operation of one interior sliding door.
- **Weight Capacity up to 36 kg (79 lbs):** Robust construction ensures secure and stable movement for doors within this weight range.
- **Top-Hung System:** The door hangs elegantly from the top track, eliminating the need for a bottom track and creating a clean, unobstructed floor.
- **Smooth and Silent Operation:** Precision-engineered rollers and high-quality bearings guarantee exceptionally quiet and effortless gliding. Say goodbye to noisy, cumbersome doors!
- **Minimalist Design:** The discreet hardware remains largely concealed, allowing the beauty of your door to take centre stage.
- **Durable and Long-Lasting:** Manufactured with premium materials and Swiss engineering expertise, ensuring years of reliable performance.
- **Easy Installation:** The Clipo HM IS-36 system is designed for straightforward installation, saving you time and effort. (Professional installation recommended

for optimal results).

- **Versatile Applications:** Ideal for a wide range of interior doors, including wooden doors, MDF doors, and more, in homes, offices, closets, and pantries.
- **Space-Saving Solution:** Sliding doors maximise usable floor space compared to traditional swing doors, making them perfect for smaller rooms or areas where space is at a premium.
- **Enhanced Accessibility:** Creates wider and more accessible openings, improving the flow and usability of your living or working environment.
- **Swiss Engineered Quality:** Benefit from the precision and reliability that Hawa, a leading Swiss manufacturer, is known for worldwide.
