Hawa Clipo 16 GPK IS, Set for 2 Glass doors, 16kg

Variant code: 053.3264.071

Elevate Your Space with the Superb Hawa Clipo 16 GPK IS Set for 2 Glass Doors (16kg)

Unlock a new level of elegance and functionality with the Hawa Clipo 16 GPK IS set, expertly designed for seamlessly operating two glass sliding doors weighing up to 16kg each. This **premium-quality** hardware solution offers a **smooth, silent, and effortless sliding experience**, transforming any room into a **stylish and sophisticated** environment.

Crafted with **precision engineering** and using **durable, high-grade materials**, the Hawa Clipo 16 GPK IS ensures **long-lasting performance and reliability**. Its **innovative design** incorporates an integrated soft-closing mechanism on both sides (**IS - Integrated Soft-close**), providing a **gentle and controlled closing action** that prevents slamming and enhances safety.

Key Features and Benefits:

- **Designed for Two Glass Doors:** Specifically engineered to handle a pair of glass sliding doors, offering a **harmonious and balanced aesthetic**.
- **16kg Weight Capacity per Door:** Robust construction confidently supports glass panels up to 16kg each, ensuring **stable and secure operation**.
- **Integrated Soft-Close (IS) on Both Sides:** Experience the **ultimate convenience and safety** with the built-in soft-closing mechanism that gently and quietly brings both doors to a smooth stop.
- **Smooth and Silent Operation:** Enjoy a **peaceful and tranquil environment** thanks to the **precision-engineered rollers** that guarantee **whisper-quiet gliding**.
- **Effortless Movement:** The **high-quality components** ensure **light and easy sliding**, making opening and closing your glass doors a breeze.
- **Durable and Long-Lasting:** Constructed from **superior materials**, this Hawa
