

Hawa Clipo – 26/36 – Soft Close – Up to 15 kg

Variant code: 057.3159.071

Hawa Clipo 26/36 Soft Close Sliding Door System – Effortless Movement for Lightweight Doors

Experience smooth, silent, and controlled sliding door operation with the **Hawa Clipo 26/36 Soft Close system**. Engineered for interior doors weighing up to 15 kg, this high-quality Swiss-designed hardware solution brings a touch of elegance and practicality to any living space.

Key Features and Benefits:

- **Soft Close Mechanism:** Say goodbye to slamming doors! The integrated **soft close** gently and automatically decelerates the door in the final inches of its travel, ensuring a quiet and safe closing motion. This feature enhances user comfort and prevents accidental damage.
- **Effortless Sliding:** The precision-engineered components of the **Hawa Clipo** system guarantee exceptionally smooth and light sliding action. Enjoy effortless opening and closing of your doors.
- **Optimized for Lightweight Doors:** Specifically designed for doors weighing up to 15 kg, the **Clipo 26/36** ensures optimal performance and longevity for your lighter interior door applications.
- **Durable and Reliable:** Built with Hawa's renowned Swiss engineering and high-quality materials, this **sliding door hardware** is designed for long-lasting durability and reliable performance.
- **Discreet Design:** The sleek and unobtrusive design of the **Hawa Clipo** system ensures that the focus remains on the beauty of your door.
- **Easy Installation:** While professional installation is recommended for optimal results, the system is designed with straightforward installation in mind.
- **Versatile Applications:** Ideal for a variety of interior door types, including **bedroom doors, bathroom doors, closet doors, and room dividers** in residential and light

commercial settings.
