Experience the pinnacle of smooth and quiet sliding door operation with the **Hawa Clipo 26/36 Soft Close**. Engineered for interior sliding doors weighing up to 26kg, this premium sliding door hardware system combines effortless gliding with gentle, controlled closing. Perfect for residential and light commercial applications, the Hawa Clipo 26/36 elevates the functionality and aesthetics of any space.

Key Features and Benefits:

- **Effortless and Silent Operation:** The precision-engineered components ensure a remarkably smooth and quiet sliding motion. Say goodbye to noisy and jerky doors!
- **Integrated Soft Close Mechanism:** This advanced feature gently decelerates the door as it approaches the closed position, preventing slamming and ensuring a soft, controlled, and quiet closure. This enhances safety and reduces wear and tear.
- **Suitable for Doors Up to 26kg:** Robustly constructed to handle interior sliding doors weighing up to 26 kilograms, providing reliable performance for a wide range of door sizes and materials.
- **Versatile Application:** Ideal for various interior sliding door applications, including:
 - **Room Dividers:** Create flexible and adaptable living spaces.
 - **Closet Doors:** Maximise space and provide easy access.
 - **Pocket Doors:** Conceal doors seamlessly within walls.
 - **Lightweight Partitions:** Offer stylish and functional separation.
- **Durable and Long-Lasting:** Manufactured with high-quality materials, the Hawa Clipo 26/36 is built to withstand daily use and provide years of reliable performance.

- **Easy Installation:** Designed with ease of installation in mind, making it suitable for both DIY enthusiasts and professional installers. Clear instructions and intuitive components simplify the process.
- **Sleek and Discreet Design:** The hardware is designed to be unobtrusive, allowing the beauty of your doors to take centre stage.
- **Enhanced Safety:** The soft close mechanism prevents accidental finger trapping and reduces the risk of damage to the door and frame.
- **Improved Comfort and Convenience:** Enjoy the seamless and quiet operation, adding a touch of luxury and convenience to your daily life.
- **Space-Saving Solution:** Sliding doors are an excellent space-saving alternative to traditional hinged doors, making the Hawa Clipo 26/36 perfect for maximising usable floor area.

In summary, the Hawa Clipo 26/36 Soft Close is the perfect solution for anyone seeking a high-quality, reliable, and quiet sliding door system for interior doors up to 26kg. Its integrated soft close mechanism, smooth operation, and durable construction make it a valuable addition to any modern home or light commercial space.
