Feature	Detail
Handing	Universal set for left or right-hand applications

Why Choose Hawa Concepta 30?

- **Seamless Integration & Flush Design:** The Hawa Concepta 30 allows your door to vanish entirely into a pocket, creating a perfectly flush, clean aesthetic when closed and offering full, unobstructed access when open.¹ Say goodbye to protruding doors that limit your space.
- **Effortless Comfort:** Experience luxury with every use. The system features an advanced soft closing mechanism that ensures the door glides into the closed position and retracts smoothly into the pocket, operating with remarkable quietness and precision.
- **Space-Maximising Freedom:** Ideal for small apartments, open-plan living, or multi-functional rooms.² Conceal a full kitchen appliance bank, a wardrobe, a laundry station, or a home office, then reveal it instantly—transforming the function of your space in seconds.
- **Swiss-Engineered Reliability:** Built with Hawa's unique scissor technology, the Concepta 30 reliably manages large, heavy doors up to 30 kg, guaranteeing long-term, flawless performance and stability.

Set Contents

This comprehensive set includes all essential fittings for one pivot/slide-in door in the specified height range, typically featuring:

- Upright profile (2300 mm)
- Scissor action mechanism (complete)
- Upright guides and torsion plate
- Soft-closing concealed hinges
