

Hawa Concepta 40, 1851–2500mm, Set for 1 Wooden Door

Variant code: 25880

Easy to implement – convenient to use. Hardware for pivot sliding doors weighing up to 25, 30, 40, and 50kg (55, 66, 88, and 110lbs.) per door.

The HAWA-Concepta 25/30/40/50 slides doors alongside cabinet bodies or into wall recesses. Room-high designs and walk-in cabinets are easy and efficient to implement. The well thought out concept has omitted a bottom guide channel and offers optimum flexible room utilisation with no obstructions in the form of protruding doors.

HAWA-Concepta 25/30/40/50 is a true master of design thanks to a broad band width of available dimensions, weights and material thicknesses. As a future-oriented system, the HAWA-Concepta 25/30/40/50 is fully open to your ideas for cabinets, kitchen fronts, a separate home office and walk-in storage solutions.

Applications:

Its advantages are obvious wherever variable room utilisation and unobstructed access should leave a tidy impression, for instance in the home office in the bedroom, the kitchen in the living room, or the utility area in the bathroom.

Not sure which Hawa Concepta is right for your project? Use the Hawa Planning Tool below to help you decide:
