# Hawa Concepta 40 - Sliding Door Hardware - Set for 1 Door - 1851mm-2500mm

**Variant code: 27650**

## Hawa Concepta 40: Pivot & Slide-In Door Hardware

The **Hawa Concepta 40** pivot and lateral slide-in door hardware is a revolutionary system designed to transform your interior spaces by seamlessly concealing wooden doors. Perfect for creating **multi-functional rooms** and achieving a **flush-fitting, minimalist aesthetic**, this set allows doors to pivot out and then effortlessly glide into a narrow pocket, fully disappearing from view.This specific set is engineered for **single doors** with a height range of **1851mm to 2500mm** (approx. 6' 1" to 8' 2"), providing exceptional design flexibility for tall cabinet fronts or room dividers.

### Key Features & Benefits

- **Total Concealment:** Achieve a clean, unblemished look. The pivot-and-slide mechanism allows the door to disappear entirely into a dedicated pocket, completely removing visual clutter and obstructions. Ideal for hiding home offices, utility areas (laundry), or kitchen appliance stations.
- **Optimal Space Utilisation:** Eliminates the need for swing-out door clearance, maximising usable space in compact or multifunctional rooms.
- **Smooth & Quiet Operation:** Features a sophisticated **two-wheeled running gear** and hinges with an integrated **soft-closing mechanism** and **shock absorber** for gentle, whisper-quiet movement in the end positions.[7] The door is also designed to be automatically pulled into the pocket.
- **Robust Construction:** The unique **scissor technology** is engineered to accommodate large and heavy doors, supporting a maximum door weight of **40 kg (88 lbs)**.
- **Universal Application:** The set is non-handed and can be used for both **left and right-hand** door applications.
- **Front-Accessible Adjustments:** Simplify

installation and maintenance. All necessary adjustments are conveniently made from the front of the cabinet or wall recess—no need for tricky access panels.

- **Versatile Design Freedom:**
    - **Door Weight:** 20 - 40kg
    - **Door Height:** 1851 - 2500mm
    - **Door Width:** 300 - 900mm
    - **Door Thickness:** 19 - 50mm

## Perfect for Modern Living

The Hawa Concepta 40 set is a high-end solution for architects, interior designers, and bespoke furniture makers seeking functional elegance.

- **Home Office Integration:** Hide your workspace in a living room or bedroom.
- **Kitchen & Utility:** Conceal appliances, pantries, or washing machines behind a seamless, flush-fitting front.
- **Walk-in Closets & Room Dividers:** Create grand, unobstructed access to storage areas or open up temporary partitions.
- **Wall Recesses:** Conceal wall recesses beautifully without the need for a bulky cabinet body (requires specialised connector profile—sold separately).
